cubic

Cubic

A stackable aluminium lounge set for highly durable projects? Meet Cubic. Sturdy, yet elegant, the modular sofa collection combines an asymmetric design with detachable Sunbrella® cushions. The Cubic collection comprises of lounge chairs and 2,5 seaters in as much as 2 different frame colours and 3 cushion options. The left or right corner double seat gives this modular sofa set collection endless possibilities to make the combination that fits your setting. Pair with the lounge of your choice to complete the seating area. Add a footrest for maximum comfort and match with a low-to-the-ground coffee table of your choice.

left corner double seat — small middle seat — medium footrest — coffee table S — Selecta dining armchair — Selecta dining table 226x90

Combine the separate
modules to the setting that
works for you.

lounge chair — 2,5-seater — coffee table A — lounge

left corner double seat — right corner double seat — small middle seat — coffee table S — lounge — Easy Fit side table unit B

lounger — Easy Fit side table unit B

2,5-seater — coffee table A — Metris barstool78h

powdercoated aluminium

properties

A fluidised powder coating is applied to the aluminium structure by electrostatic spray. For maximum solidity and resistance of the powder coating, the material is heated at a temperature between 160°C (320°F) and 210°C (410°F) (T° according to the type of powder).

The material is suited for both indoor and outdoor use.

maintenance

This material is easy to clean and maintain. Simply brush away loose dirt, rinse and clean with a mild, lukewarm soapy solution. Rinse thoroughly and pat dry with a cloth.

ceramic

properties

Diphano ceramic table tops are composed of sand, clay and natural stone components, heated at 1200° C and cooled down and glued together with a resin of polyurethane and fibre glass. This results in the following characteristics:

- hygienic surface
- colourproof
- resistant to fire and high temperatures
- impermeability
- resistant to bending, scratching and chemical products
- environment friendly

maintenance

Ceramics are easy to clean. Simply brush away loose dirt, rinse, and clean with a mild, lukewarm soapy solution or Ceramic cleaner. Rinse thoroughly and pat dry with a cloth.

fabric

properties 100% solution dyed acrylic

- developed specifically for outdoor use for example boats
- fibres dyed in the mass, UV-resistant
- dirt and water repellent
- breathable
- washable at 30°C (86°F)

maintenance

Simply brush away loose dirt. Spray on a cleaning solution of water and mild soap. Use a soft bristle brush to clean and allow cleaning solution to soak into the fabric. Rinse thoroughly until all soap residue is removed and allow to air-dry.
