outdoor luxury

## Manutti<sup>•</sup>

## Designed by Lionel Doyen

The San collection draws from Japanese art as inspiration for its truly iconic design. Both timeless and contemporary, the minimalist frames of San benches and modular sofas have been meticulously refined to expose every detail. An artful blend of shapes and materials illustrates the ingenuity of this creation. The winner of the Interior Design's Best of Year Award in the category 'Furniture – Outdoor Seating', San is a perfect fit for any setting, exterior or interior.
