

LORD IV

Art.No. 0100130

Dense curtain fabric; Finely mottled and versatile classic. Lord IV impresses with its soft drape and characteristic texture, which is achieved through a combination of voluminous yarns in the warp and a textured, mottled weft yarn. Different fibre components are spun in shades of light and dark and create the typical depth of colour after overdyeing. This characterful bestseller impresses with its extensive colour range, absorption value, care properties and versatility. Lord IV is made from 100% yarns spun in Europe, developed, woven and dyed in Langenthal. It therefore fulfils all the requirements for sustainable product quality and timeless design.
