Vertigo

Design by Gianluigi Landoni

La particolare incisione che circonda la superficie riflettente dello specchio Vertigo, crea un particolare effetto visivo, destinato a non restare inosservato nello spazio. Disponibile in varie dimensioni, può essere dotato di sistema di retroilluminazione a led che ne accresce la presenza scenografica.

The special engraving that surrounds the mirrored surface of Vertigo creates a particular visual effect, able to give a touch of originality to the room. Available in various sizes, it can be also provided with a led lighting on the back that enhances its scenographic presence.
